

TRANSCRIPT PREPARED BY THE CLERK OF THE LEGISLATURE
Transcriber's Office

May 28, 1997

LB 875

please return to the Chamber and record your presence. Would all unauthorized personnel please leave the floor. Senator Bromm, Senator Don Pederson, Senator Bohlke, Senator Coordsen, Senator Schrock, Senator Stuhr, Senator Tyson, Senator Wehrbein, Senator Wesely, Senator Wickersham, Senator Ray Janssen. Senator Jones, Senator Kristensen, the house is under call. Senator Lynch.

SENATOR CHAMBERS: Madam President, members of the Legislature, Senator Tyson, who was not here when I discussed him, is wondering if what I said was bad or good. He knows that nothing but good can come from a source which is good, he knows that from his philosophy...his days of philosophy. This is an amendment which I've been discussing, and I asked Senator Hartnett did...would he accept it if I would leave his bill alone. It doesn't change anything in the bill, the direction or whatever. And I want you all to look at Senator Hartnett's vote, and we'll adopt this amendment, then you can move on with the bill.

SENATOR CROSBY: Thank you, Senator Chambers. We're still waiting for a few people. The question is the adoption of the Chambers amendment to LB 875. All in favor vote aye, opposed no. Record, please.

CLERK: 26 ayes, 2 nays, Madam President, on adoption of Senator Chambers' amendment.

SENATOR CROSBY: The Chambers amendment is adopted. I will raise the call. Mr. Clerk.

CLERK: Senator Chambers, I now have FA405, Senator.

SENATOR CHAMBERS: Any other amendments I have on this bill, I withdraw them.

SENATOR CROSBY: No objections? They are withdrawn.

CLERK: Senator Bruning, I have nothing further to the bill.

SENATOR CROSBY: Senator Bruning.
